EX PARTE NOTICE

Re: *Numbering Resource Optimization and Implementation of Local Competition Provisions; CC Docket Nos. 99-200 and 96-98 (Petition of the California Public Utilities Commission for Authority to Implement Technology Specific Overlay Area Codes) and In the Matter of Section 68.4(a) of the Commission's Rules Governing Hearing Aid-Compatible Telephones; WT Docket No. 01-309 RM-8658*

Dear Ms. Dortch:

Pursuant to 47 C.F.R. Sections 1.1206(b)(1) and (b)(2), we file this notice and the attached *ex parte* materials electronically in the dockets referenced above today. On February 25, 2003, Suzanne Toller of Davis Wright Tremaine and Doug Brandon of AT&T Wireless Services met with Bryan Tramont of Chairman Powell's office. The purpose of the meeting was to discuss the *Petition of the California Public Utilities Commission for Authority to Implement Technology Specific Overlay Area Codes* and related numbering issues. AT&T Wireless reiterated the position it took in its comments on this petition. The attached outline, which was used at the meeting, summarizes the topics discussed at the meeting. In addition, letters from Representative Jane Harman and Representatives Mary Bono and George Radanovich to Chairman Powell regarding the petition were discussed. These letters are also attached.

Mr. Brandon also discussed AT&T Wireless' position on lifting the exemption from hearing aid compatibility requirements for PCS devices. AT&T Wireless generally supports the position expressed in an Ex Parte filed on January 22, 2003 by Cingular in WT Docket No. 01-309.
